DETAILED ACTION

Allowable Subject Matter

1. Claims 1-18 are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art of record, either singly or in combination, fails to disclose the limitations of:

forming a first well of a first conductivity type in a substrate;

forming a second well of a second conductivity type in the substrate, the first and second conductivity types being opposite, wherein portions of the first and second wells overlap in a compensated channel region of the substrate; and

wherein said compensated channel region is located directly adjacent a source and spaced apart from a thick dielectric. Also, in conjunction with the other limitations of claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ron E. Pompey whose telephone number is (571) 272-1680.
